CLOVERDALE

Cloverdale is tucked between the hills of Northern Sonoma County, along the Russian River, and is a bit removed from the hurried pace of the San Francisco Bay Area. Just a short drive from Healdsburg, we welcome you to explore the shops and restaurants throughout our walkable downtown and beyond.

Located at the north end of the Alexander Valley and surrounded by several distinct wine growing regions. Close to Lake Sonoma, moderate winters and warm summers make Cloverdale a great spot for recreation, exploring renowned wineries or just taking in the natural beauty. Cloverdale is diverse, welcoming and family oriented, so bring the whole family, bikes, comfortable clothing...no need to dress up.

We celebrate summer with the Friday Night Live summer music series, July 4th, in a small-town kind of way, the holidays with Winter Festival, the Cloverdale Citrus Fair on President's Day Weekend, many other signature events.
